World-Class golf inspired by tradition. Entrada's 18-hole championship Johnny Miller Signature golf course quickly vaulted to the top of major publications' lists when it opened in 1996. Golf Digest ranked it among the Top 10 New Upscale Courses in 1997. The Official Best of Utah - 2008 rated it the Best Private Golf Club. Visit our website to view the airing of "The Official Best Of" at www.golfsentrada.com. Entrada is currently ranked as the best year-round golf course in Utah by Golf Digest.

Forged from excellence, is the impressive award winning 22,000-square-foot William Zmistowski-designed clubhouse; twice named clubhouse of the year. This community centerpiece was designed to blend with the surrounding desert with its red colored stucco and rough sandstone finishes. Members and their guests enjoy savory dishes masterfully prepared by Le Cordon Bleu trained chefs at the Kokopelli Restaurant and Lounge.

The Sports and Fitness Center features over 13,000 square feet of excellent aquatic, fitness, and spa facilities. Members of all ages will appreciate the club's wide range of athletic programs, which include pickleball, tennis, spa treatments and personal training services. The Sports and Fitness Center made its Hollywood debut when the Disney Channel filmed High School Musical 2 in the spring of 2007.
